

BROMPTON EXPERIENCES

Canada - Vancouver

Eight days through Canada Vancouver on a Brompton. We begin with a gentle orientation ride around Coal Harbour, then head past Stanley Park before catching the ferry across to Victoria. On the island the pace settles: the Lochside Trail carries us to Butchart Gardens for a slow afternoon among the flowerbeds, and the Galloping Goose Trail leads us past Hatley Castle towards Langford.

From Victoria we cross back by ferry and head up the Sea to Sky corridor to Whistler, stopping for lunch in Squamish along the way. Two easy days on the Valley Trail follow, framed by mountains on every side, before we return to Vancouver for a final ride along the Stanley Park Seawall, English Bay and Granville Island. Every ride is backed by our safety and passenger vehicles, so you pedal the scenic parts and let us handle the rest.
