

BROMPTON EXPERIENCES

Australia - PERTH

Perth is a city that feels made for cycling. With warm sunny days, cool comfortable evenings, and some of the most scenic coastal paths you'll ever ride, it's the kind of place that makes you want to slow down and take it all in.

Over 6 days, you'll explore some of Perth's most beautiful spots, from the scenic Kings Park and Swan River foreshore to the car-free shores of Rottnest Island, where quokkas roam freely all around you. Round it off with a leisurely ride through Swan Valley's wineries and a round of golf at some of Perth's finest clubs. Simple, scenic and so worth it.
