STUNNING CYLING VIEWS

A cyclist's dream journey

Taiwan boasts an extensive bike trail network stretching over 5,000 kilometers, winding through coastal roads, countryside paths, and mountain routes. This tour takes you across the scenic islands of Penghu, offering a unique coastal cycling experience unlike any other in Taiwan.

One highlight is the Great Penghu Bay Loop, a stunning route that hugs the shoreline and showcases Penghu's signature basalt cliffs, pristine beaches, and traditional fishing villages. Cyclists can ride across iconic sea-crossing bridges, such as Penghu Great Bridge, linking the main island with smaller outlying islets, each offering their own natural beauty and cultural heritage.

With local bike-friendly cafés, rest stops, and even beachside pavilions, this route is ideal for both leisure cyclists and those seeking a deeper cultural ride. Transportation will be arranged to bring you to the most breathtaking cycling trails across Penghu's main islands, making this an unforgettable island-riding adventure.
