

BROMPTON EXPERIENCES

Canada - Toronto

Eight days through Canada Toronto on a Brompton — it begins and ends in Toronto City. We ride the Lake Ontario shoreline on the Martin Goodman Trail, take the ferry across to car free Toronto Island, then head to Hamilton for the waterfalls and conservation trails of Dundas Valley.

From there it's on to Niagara-on-the-Lake and St Catharines, where the days slow down for vineyard lunches, a Riesling tasting at Cave Spring, and the roar of Niagara Falls up close. We finish back in Toronto along the waterfront trail to High Park before you fly home. Every ride is backed by our safety and passenger vehicles, so you pedal the scenic parts and let us handle everything else.
